Applicant investigators and institutional officials must not communicate directly with study section members about an application before or after the review. All questions should be directed to the Scientific Review Officer in charge of the study section. Failure to observe this policy will create a serious breach of integrity in the peer review process, and may lead to actions outlined in [NOT-OD-14-073](#) and [NOT-OD-15-106](#), including removal of the application from immediate review.
