

**Global Health Grantee Dr. Kiarie from: Medical Education Partnership Initiative (MEPI)-Kenya (PRIME-K)**

**The power of innovation in health**

*In humans it hurts*

*In humans it pains*

*In dummies no pain*

*In dummies we gain*

*(Refrain) The power of innovation in health*

*With innovation we learn*

*With the experience we serve*

*With humans we are fine*

*The power of innovation in health*

*Ouch Ouch, that hurts*

*Aargh, aargh, it pains*

*For me no pain, no loss*

*I am here to teach, am a dummy*

*The power of innovation in health*

*(Refrain) The power of innovation in health*

*With innovation we learn*

*With the experience we serve*

*With humans we are fine*

*The power of innovation in health*
