Session topics will include, but are not limited to:

- Workshops (single one-time event)
- Courses (multi-event)
- Internships or Experiential Learning
- Program Staffing
- Technology Resources
- Data Collection and Use of Data

**Discussion of low and no cost solutions!**

## ABOUT NIH BEST

THE GOALS OF NIH BEST: TO SEEK, IDENTIFY AND SUPPORT BOLD AND INNOVATIVE APPROACHES TO BROADEN GRADUATE AND POSTDOCTORAL TRAINING, SUCH THAT TRAINING PROGRAMS REFLECT THE RANGE OF CAREERS REQUIRED FOR A ROBUST BIOMEDICAL, BEHAVIORAL, SOCIAL AND CLINICAL RESEARCH ENTERPRISE

A national consortium of 17 BEST awardee institutions is working to develop career and professional development opportunities addressing novel approaches and identify challenges

FUNDED BY  
NATIONAL INSTITUTES OF HEALTH COMMON FUND  
NIH Director's Biomedical Research Workforce Innovation Award
